

Floating Leasing Consultant:

The Opportunity:

National Development is looking for a full-time Leasing Consultant for our residential portfolio. The ideal candidate will bring a passion for people, apartment living, and creating a sense of community among residents and team members. As a member of our leasing team, you will instill a sense of National Development pride in everyone that they interact with. This position will require some travel from site to site and could require one or multiple days at any of our communities in the greater Boston area.

As a Leasing Consultant, your primary responsibilities include:

- Corresponding with prospective residents – establishing a good rapport, setting up appointments, touring the community, and taking them through the leasing and move-in process, all while showcasing exemplary customer service and sales skills
- Administrative tasks such as lease generation, resident file preparation and maintenance, and resident correspondence
- Preparing weekly leasing reports
- Participate in the planning and execution of resident events
- Maintaining social media presence, working with the internal marketing team to create and post content
- Cultivating and maintaining strong, loyal relationships with residents, offering a first-class resident experience and helping to maintain a strong sense of community

You Create Value by:

- Being dedication to our residents – working to exceed their expectations, resolve any community-related issues, and strive to create extraordinary experience
- Being dedicated to National Development – striving to exceed leasing goals, reduce turnover, maintain a positive reputation (both online and anecdotally), and proudly represent National Development’s professionalism and values
- Being dedicated to your team - you roll up your sleeves and assist team members—no job is “below your pay grade”

What You Bring to Us:

- Experience in the property management, hospitality or retail industries
- Experience with industry software (YARDI)
- Familiarity with social media channels (Facebook, Twitter, Instagram)
- Experience with a Revenue Management software platform (YieldStar preferred)
- Willingness to jump in, learning new tasks and systems
- Outstanding communication skills, both written and verbal

What We Bring You:

National Development offers a wide range of insurance options, programs and benefits that let you and your family be healthy and plan for the future. Including:

- Comprehensive and affordable health plans
- Life insurance
- Employee wellness incentives
- Company-matched 401K

We want our team members to be happy and healthy, both personally and professionally. Our benefits take into consideration everything from career development to family matters and health and wellness.

National Development is proudly an Equal Opportunity Employer.
